Elaine Jo – Ichiyo – “At Home with Ikebana”

Elaine Jo is ikebana’s everywoman! An Ichiyo Executive Master, At Home with Ikebana is not just the title of her book, it is her mantra. At the I.I. NCAR Dallas conference Elaine created her capstone. With graceful ease she demonstrated how to elevate your living space with ikebana. Her composition and technique are unparalleled. Able to balance the seemingly impossible, Elaine Jo is a joy to watch. An approachable, modern sensibility rooted in Ichiyo’s natural beauty makes Elaine Jo’s demonstration a must see!
