Senko Ikenobo- Ikenobo

Senko Ikenobo is Headmaster Designate of Ikenobo Ikebana. Taking her place in an illustrious lineage beginning in the Muromachi Period, Senko Ikenobo has found her unique voice amongst her ancestors. Her I.I.NCAR Dallas Conference demonstration authenticates Senko's vision. She acknowledges her traditions while beautifully unfolding the future of the Ikenobo Ikebana School. Each arrangement is a movement that builds upon the next, culminating in this floral opus. Senko and her translator Professor Noda have collaborated for many years and their natural ease is a delight and privilege to watch.
