Soho Sakai – Sogetsu

From the very beginning of her video, you are captivated by Soho's charming personality. She immediately dazzles you with several arrangements using unconventional materials as containers. From lamp shades to zip ties and telephone wire, you will be motivated to look for in home décor and hardware stores as new sources for containers after viewing this video. From tropical heliconia to pumpkins and driftwood Soho uses materials that are unique and blend perfectly to make arrangements that are distinctive and memorable.
